The screenshot displays a document management interface. At the top, there is a toolbar with a 'Check' button, a download icon, a trash icon (highlighted with a red arrow), and a right-pointing arrow. To the right of the toolbar is a search bar labeled 'Document search' with a magnifying glass icon, a filter icon, and a list view icon. Below the toolbar, a document entry for 'test.docx' is shown. The document is highlighted in light blue and has a checkbox checked (highlighted with a red arrow). The document details include: '1/4 Cilj rada je objasniti vanjske računalne uređaje u računalnim sustavima, njihovo povezivanje sa računalom i sa opera', '1128 words', '04/16/2020, 10:04 AM', and a 'Content' link. A red badge on the right indicates a '12.5% | Report' with an external link icon. At the bottom left, it says '1 Document' and shows a list view icon and a dropdown menu set to '25'. At the bottom right, there is a 'Plagiarism level' section with three colored indicators: '0-1%' (green), '1-5%' (orange), and '5-100%' (red).
