**August 30,  
2012**

Competition  
begins!

**March 1, 2013**

Deadline to  
register your  
team

**March 13,  
2013**

Local Finals  
conclude in  
participating  
countries

Online Finals  
submission  
deadline for all

**May 15,  
2013**

Finalist teams  
announced at  
ImagineCup.co  
m

**July 8-12,  
2013**

Worldwide  
Finals in St.  
Petersburg,  
Russia

## World Citizenship

Make an app that could change someone's life. Pick your cause: the environment, education, health, you name it. Use technology as an agent of change.

## Games

All platforms at the reach of your hand! PC, Xbox360 and Windows Phone.

## Innovation

Reinvent social networks. Transform online shopping. Experience music in a new way. Do something amazing with GPS. It's time to take that crazy idea of yours and ship it!

# Prizes

First Place:

\$50,000 (USD)

Second Place

\$10,000 (USD)

ThridPlace:

\$5,000 (USD)

# Additional Challenges

## Windows 8 App Challenge

Test a team's ability to design and build a Windows Store app that takes advantage of Windows 8 features and design principles to deliver an exceptional experience on the platform

## Windows Phone Challenge

Seeking the best apps that feature startling functionality and device-focused utility, combined with a delightful Windows Phone user experience.

## Windows Azure Challenge

Getting your team started on the "next big thing" by leveraging Azure platform features to build a great web application.

# Prizes

First Place:

\$10,000 (USD)

Second Place

\$5,000 (USD)

ThridPlace:

\$3,000 (USD)

# Overview

Microsoft Student Partners are students who demonstrate passion for sharing knowledge and experience to fellow students

SHINE

Over 50 students in 16 schools

Academic year (from September through July)

Online Student Portal / Office365 account

# Expectations and criteria

Passion for  
technology  
Active  
participants

Technical or Marketing knowledge

Connection with other students in your country, region & around the world  
Explore the latest Microsoft tools and technologies  
Develop new skills & real world experience for your CV  
Receive privileged career information & opportunities  
Network with other industry partners, MVPs etc.  
Interview from Microsoft recruiting

## MSP WORKSHOP U TRAKOŠČANU: TRI DANA MLADIH VIZIONARA

Nije još ni sunce izmiliło iznad usnulog Solina kada se konvoj splitskih MSP-ova uputio prema Trakošćanu, bivšoj utvrdi lokal patriotske obitelji Drašković, a prošli vikend okupljalištu 50-ak zaljubljenika u tehnologiju, Microsoftovu tehnologiju.

Pod vodstvom našeg starog „tateka“ Marka Severa i Enisa Sahinovića, pod noćama dvorca, Microsoft...
